

A Plein Air WORKSHOP with Award Winning Artist, **Michael Chesley Johnson**

WHAT? A 3-DAY Study-to-Studio Workshop

WHEN? Monday, Oct. 1 through Wednesday, Oct. 3, 2018

WHERE? Home base will be at The Barn, Woman's Art Club Cultural Center, 6980 Cambridge Avenue, Mariemont, OH 45227

HOW MUCH? \$325

In this workshop, we'll explore the process of taking our plein air sketches to the next level. We'll learn to gather reference material en plein air — pencil sketches, color sketches and, yes, even photos if necessary — and then return with this to the studio to create finished works. In the studio, where we aren't affected by the pressures of changing light and fickle weather, we'll work out the best composition, color harmony and technique for our studio paintings.

Each day, you can expect helpful critiques, lectures and demonstrations. You'll learn the best way to gather reference material; explore ways of turning this material into finished paintings—or of creating entirely new works based on it; as well as reviewing plein air fundamentals and Michael's way of "capturing the moment" without sacrificing mood or magic.

Michael will be working in oil and pastel, but all media are welcome.
